

# 2019 Summer Camp at Elite Learning Center

We are very happy to welcome you to the 2019 Summer Camp at Elite Learning Center. Elite signature summer curriculums in Critical Thinking, Reading, Writing and Math with specially designed learning materials provide campers achieve academic enrichment goals. It is blended with afternoon STEM projects creative and fun summer camp recreation that fosters personal and social development, encourages physical activity, and offers a chance to have fun.

## **Signature Academic Enrichment Program in the morning:**

We customize curriculums for summer enrichment, All English learning materials are selected from the latest English education resource based on AAP standards and requirements. We create specialized Math workbooks exclusively by Elite. We have added several additional courses and activities to the 2018 summer program based on the feedback received from the annual teachers meeting and parent survey.

- **Critical Thinking for Grade 1 & 2**
- **NNAT/Cogat Test Prep for Grade 1 & 2**
- **English Reading Writing and Math for Grade 3 – 6**
- **ACT/SAT reading and writing and Math for 7<sup>th</sup> graders**
- **TJ prep - ACT reading, Writing, Math and Science for 8<sup>th</sup> graders**

**Class is set by grade level, there is no grade mixed class. Each class is limited to 16 students.**

**Elite camp is designed for the rising 1st - 11th graders. Each session has a different designed curriculum and materials over the sessions.**

## **STEM Learning Pathways in the afternoon (No extra fee added):**

Provide grade 3 to 7 students the opportunity to take Science, Technology, Engineering and Math to the real-world challenges. Each week of camp focuses on a specific topic, which campers explore through various projects and challenges.
